- Please bring this request on the day of your appointment.
- Please attend your appointment with an empty bladder unless otherwise requested.
- Gynaecological and early pregnancy ultrasound scans are generally performed internally (transvaginally). This usually provides the best quality images. If this technique is inappropriate for you, please advise our receptionist when you make your appointment.
- Partners or other support people are welcome to attend your scan.
- 2-hour parking can be found near Fitzroy Gardens.
- More information can be found at our website: www.emultrasound.com.au
